76 Dempster Place, Dunbar, EH42 1ZR

LOCATION:

Dunbar is a thriving and highly sought-after East Lothian coastal town, renowned for its attractive harbour, sandy beaches and excellent range of local amenities. The town offers a variety of shops, cafes, restaurants and supermarkets, together with well-regarded primary and secondary schooling, leisure facilities and a modern sports centre. Popular with commuters, Dunbar benefits from a mainline railway station providing regular services to Edinburgh and beyond, whilst the A1 offers convenient road links to the capital and the south. Surrounded by beautiful coastline and open countryside, the area provides an outstanding quality of life with an abundance of walking, cycling and outdoor pursuits on the doorstep.

DESCRIPTION:

A well-presented and highly energy-efficient four bedroom detached family home, occupying a desirable position within this popular modern development in Dunbar. The property offers generous accommodation complemented by a range of owner upgrades, resulting in an impressive A-rated EPC. Presented in true move-in condition, the accommodation is arranged over two floors and has been carefully maintained throughout. The welcoming entrance hall leads to a spacious and comfortable living room, providing an ideal space for both everyday life and entertaining. To the rear, the impressive kitchen/dining room spans the width of the property and enjoys a pleasant outlook over the garden, creating a bright and sociable heart of the home. A practical utility cupboard and a convenient WC complete the living accommodation at this level. The first floor offers four well-proportioned bedrooms with the principal bedroom benefiting from an en-suite shower room, while bedrooms two and three are served by a useful Jack and Jill shower room. A contemporary family bathroom provides additional convenience, ensuring the property is perfectly suited to modern family living. A particular feature of the property is the significant investment made in renewable energy and sustainability measures. Solar photovoltaic panels with battery storage, solar thermal water and an EV charging point combine to deliver outstanding energy performance, reduced running costs and future-proofed living. Further benefits include double glazing, gas central heating and an integral garage. Combining spacious accommodation, contemporary styling and exceptional energy efficiency.

EXTERNALLY:

To the front, a driveway provides off-street parking leading to the integral garage. The remainder of the front garden has been thoughtfully landscaped with a variety of established planting, creating a degree of privacy. Gated side access leads to the enclosed rear garden, which enjoys a highly desirable south-facing aspect. Currently a haven for gardening enthusiasts, the garden is filled with an abundance of potted plants and seasonal flowers. The sellers intend to remove these prior to sale, leaving a generous and versatile outdoor space ready for a new owner to create their own garden design and make the most of the orientation.

SERVICES:

Mains Electricity, Gas, Water & Drainage. Solar PV with Battery Storage, Solar Water & EV Charger.
